

The California Invasive Plant Council Student Chapter recommends that you...

"Give them an inch and they'll take an acre!"

DON'T PLANT A PEST!

"If we work together, weeds don't stand a chance."

Invasive Plants

Trees

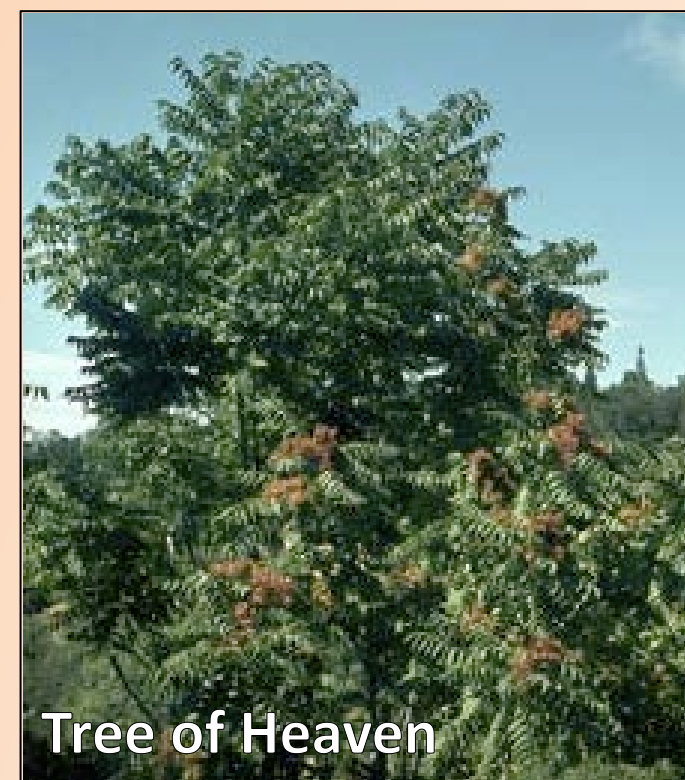

Eucalyptus

Olive

What else can I do?

- Educate other gardeners
- Destroy cuttings of invasive plants
- Talk to your local nurseries about stocking CA natives
- Get involved with a local organization!

Wildflower Weekend
Elderberry Farms
Native Plant Nursery
